International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Scientific Program

Tuesday, September 27, 2022

OPENING CEREMONY Start 9.00am UTC (7.00am UTC)

Domain 1: One health, antimicrobial resistance, and epidemiological models)

Domain 2: One health in transition cities, big data and urban metabolism

Part 1: Building a new environment under a One-Health Vision

Part 2- Nature-based solutions

Domain 3: One health as part of adaptation and human rights

Wednesday, September 28 2022

DAILY OPENING 9.00 - 10.00 CEST (UTC +2)

Domain 4: One-health vision on environmental hazards, toxicology and epigenetics

CONCLUSIONS OF THE CONFERENCE

POSTER SESSION

STUDENT CONFERENCE AND AWARDS

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

September 27th, 2022

OPENING CEREMONY Start 9.00am CEST* (7.00am UTC**)

Chairs: Margherita Ferrante, Gea Oliveri Conti

Opening Keynotes and Speakers
Francesco Priolo - <i>Dean of Università di Catania</i>
Gaetano Sirna - <i>General Director Policlinico di Catania</i>
Maria Neira - <i>Director of Department of Environment, Climate Change and Health WHO</i>
Pasqualino Rossi - <i>Italian Ministry of Health</i>
Ruggero Razza - <i>Assessor of Health Regione Sicilia</i>
<i>Municipality of Catania Representative</i>
Giuseppe Arcidiacono - <i>Assessor of Health Comune di Catania</i>
Ignazio La Mantia - <i>President of Medical Order</i>
Margherita Ferrante - <i>Conference Organizer, Full Professor of General and Applied Hygiene, University of Catania</i>

*CEST = Central European Summer Time (UTC+2) **UTC = Universal Time Coordinated (GMT)

September 27, 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

September 27th 2022

Domain 1: One health, antimicrobial resistance and epidemiological models

Start: 10.30 CEST (UTC+2) End: 12.15 CEST (UTC+2)

Domain topics

- Infection and antimicrobial resistance
- COVID-19 and long COVID-19
- Vector borne diseases
- Epidemiological models and policies

Keynotes and Guests 10.00 CEST (8.00 UTC)

Antonella Agodi, *Director of the Department of Medical, Surgical and Advanced Technologies "GF Ingrassia"*

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 10.30 - 12.00 CEST (UTC+2)

Chairs: **Paolo Lauriola**, RIMSA

Margherita Ferrante, University of Catania

Antonio Cristaldi, University of Catania

Time (min)	#	Authors	Title	Track
00:10 00:05 quest	1022	Gea Oliveri Conti	One-health approach in the ecological transition	Domain 1
00:10 00:05 quest	264	Damas Theobald Msaki and Sigrid Agenäs	Promotion of safe food to consumers of Milk and Dairy Products in Kibaha Town Council (Tanzania)	Domain 1
00:10 00:05 quest	5469	Andrea Falco and Prisco Piscitelli	COVID-19 Epidemic spread and Green Areas Italy and Spain between 2020 and 2021: An observational multi-country retrospective study	Domain 1
00:10 00:05 quest	7766	Gabriela Fernandez, Harrison Yang, Carol Maione, Karenina Zaballa, Norbert Bonnici, Jarai Carter, and Ming-Hsiang Tsou	Covid-19 societal effects and perceptions: The case study of Italy	Domain 1
00:10 00:05 quest	8094	Sheilla Chebore, Jedidh Kahura and David Mungai	Antimicrobial resistance surveillance curriculum development One Health approach: A Kenyan experience	Domain 1
00:10 00:05 quest	3255	Erimma Orie	Climate change, sustainable health and Corona Virus disease (COVID-19 pandemic) in Nigeria: The legal issues in perspective	Domain 4

CONCLUSIONS of the Domain from Chairs - 12.15 - 12.30

September 27, 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Domain 2: One health in transition cities, big data and urban metabolism

Start: 13.45 CEST (UTC+2) End: 17.00 CEST (UTC+2)

PART 1- Building a new environment under a One-Health Vision

Domain topics

- Net Zero, Decarbonization, and healthy cities
- C40 Network Connection and Ren21
- Big data analytics for epidemiology and environmental monitoring
- Citizen science

Keynotes and Guests 14.00 CEST (12.00 UTC)

Introduction: Prisco Piscitelli, Vice President of the Italian Society of Environmental Medicine (SIMA)

Carlos Dora, *President International Society for Urban Health (ISUH)*

Mark Neuhausen, *Institute for Global Health (ISGlobal)*,

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 14.30 to 15.30 CEST (UTC+2)

Chairs:

Prisco Piscitelli, *SIMA*

Gabriela Fernandez, *Metabolism of Cities Living Lab, San Diego State University*

Time (min)	#	Authors	Title	Track
00:10 00:05 quest	2683	Antonina Torrisi, Margherita Ferrante, Alessia Anna Di Prima, Domenica Niglio, Fiorella Paderni, Domiziana Giordano and Rosalia Ragusa	BENCHISTA project: Benchmarking of population-based childhood cancer survival by Toronto stage	Domain 2
00:10 00:05 quest	2867	Francisco Guachalla	Embracing the SDG-2030 for Monitoring and Learning in Emergency and Developing Projects	Domain 2
00:10 00:05 quest	3357	Paolo Fidelbo, Rosalia Ragusa, Carmelo Ettore Viscosi, Andrea Benedetto, Eleonora Salamone, Angelo Pisano and Margherita Ferrante	Lean six sigma: application of the methodology in data processing for Cancer Registry	Domain 2
00:10 00:05 quest	6976	Kamran Khan and Thomas Henschel	A Life Cycle Thinking Based Framework for the Assessment of Sustainability: From the Perspective of Literature Review	Domain 2

September 27, 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

PART 2- *Nature Based solutions* - 15.30 - 17.00

Domain Topics:

- Nature-based solutions (multidimensional approach)
- Air quality and healthier cities
- Metabolism of cities and implications on health

Keynotes and Guests 15.30 CEST (13.30 UTC)

Ingrid Coetzee, *Director: Biodiversity, Nature & Health, ICLEI - Local Governments for Sustainability Africa Secretariat & Global Cities Biodiversity Center*

Francesco Petracchini, *Director CNR-IIA*

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 16.00 to 17.00 CEST

Chairs:

Stefania Romano, ICLEI - Local Governments for Sustainability

Gabriela Fernandez, Metabolism of Cities Living Lab, San Diego State University

Valerio Paolini, CNR-IIA

Time (min)	#	Authors	Title	Track

00:10 00:05 quest	4232	Antonio Cristaldi, Rosalia Pellitteri, Paola Dell'Albani, Gea Oliveri Conti, Chiara Copat, Alfina Grasso, Maria Fiore, Giuseppa Milletari, Sebastiano Cavallaro and Margherita Ferrante	Preliminary data on the effects of PM2,5 on Olfactory Ensheathing Cells (OECs)	Domain 2
00:10 00:05 quest	6976	Kamran Khan and Thomas Henschel	A Life Cycle Thinking Based Framework for the Assessment of Sustainability: From the Perspective of Literature Review	Domain 2

CONCLUSIONS of The Domain from Chairs

September 27, 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Domain 3: One health as part of adaptation and human rights

Domain topics

- Health as a part of adaptation
- Resilient health care systems
- Community health and resilience
- Child and maternal health as element of resilience
- Human rights and health (Vaccine and immunization)
- Health strategies and application for minorities and disadvantaged people
- SDG 3 and related SDGs

Keynotes and Guests - 17.00 CEST (15.00 UTC)

Giulia Bosi, *PhD.candidate in Public International Law (PhD. programme in Human Rights and Global Politics)*

Cristoforo Pomara, *Full Professor of Forensic Medicine at the University of Catania, SIMA*

September 27, 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 17.30 to 19.00 CEST (UTC)

Chairs:

Melissa Jiménez Gómez Tagle, *Technical University of Munich (TUM)*

Maria Grazia Elfio, *Journalist Biomedicine and Health*

Graziella Machado, *Federal University of Health Sciences of Porto Alegre (UFCSA)*

Time (min)	#	Authors	Title	Track

CONCLUSIONS of The Domain from the chairs

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

September 28th 2022

DAILY OPENING 9.00 - 10.00 CEST (UTC +2)

Chairs: Margherita Ferrante, Gea Oliveri Conti

Opening Keynotes speakers and institutional guests
<p>Alessandra Stefani - Forestry Branch General Manager Ministry of Agricultural and Forestry Policies</p> <p>Davide De Laurentis - Deputy Commander of the Forestry Carabinieri</p> <p>Giovanni Salerno - Director of the Sicily "Corpo Forestale" Regione Sicilia</p> <p>Luca Ferlito - Commander of "Corpo Forestale" Provincia Catania</p>
<p>Marina Romanello - The Lancet Countdown</p>
<p>Marco Ricceri - EURISPES</p> <p>Walter Pollina - DASOE Regione Sicilia</p>
<p><i>One-Health 22 - Partners Associations representatives</i></p> <p>Rocco Chiriaco - Movimento Azzurro</p> <p>Giovanni Barbagallo - Ecosezione Frigia</p> <p>Monica Marchese - Plastic-free</p>
<p>"La Consulta Giovanile di Catania" Council of Youths of Catania - Piersalvo Catania, Giuseppe Melita Youth Students Associations - Simone Scalia</p>

September 28th 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Domain 4: One-health vision on environmental hazards, toxicology and epigenetics

Start: 10.00 CEST (UTC+2) End: 14.00 CEST (UTC+2)

PART 1 - Human effects on environmental hazards

Domain topics

- Toxicology and Microplastic, Dioxins
- Nanotoxicology
- Analysis and monitoring microplastic

Keynotes and Guests h 10.00 CEST (8.00 UTC)

Antonio Moreda Piñeiro, *Santiago de Compostela - USC-nanoparticelle metalliche*

Mohamed Banni, *University of Sousse - microplastiche*

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 10.30 to 11.45 CEST

Chairs:

Carol Maione, *Politecnico di Milano*

Gea Oliveri Conti, *University of Catania*

Chiara Copat, *University of Catania*

	#	Authors	Title	Track
00:10 00:05 quest	181	Filippo Vaccari, Leilei Zhang, Gianluca Giuberti, Alfina Grasso, Francesca Bandini, Pascual García-Pérez, Chiara Copat, Luigi Lucini, Margherita Ferrante and Edoardo Puglisi	Exposure to metallic nanoparticles can modulate gut metabolome and microbiome in in-vitro digestion model	Domain 4
00:10 00:05 quest	2097	Chongshan Dai, Shusheng Tang and Zhanhui Wang	Cadmium triggers apoptotic and ferroptotic cell death in human L02 cells by inhibiting ATF-5-mediated mitochondrial unfolded protein response	Domain 4
00:10 00:05 quest	4994	Pauline Owiti, Rahmina Paullete and Miriam Kinuthia	Local Solutions available on Marine Litter and Plastic Pollution in Lake Victoria	Domain 4
00:10 00:05 quest	7061	Ramiro Schiavo	New Diagnosis and Population Monitoring	Domain 4
00:10 00:05 quest	6357	Antonio Carlo Barbera and Rosario Iacono	Emerging evidence on rice (<i>Oryza sativa</i> L.) irrigated with water contaminated by residual pharmaceutical chemicals	Domain 4
00:10 00:05 quest	4755	Giuseppe De Marco, Margherita Ferrante, Mariachiara Galati, Tiziana Cappello, Gea Oliveri Conti and Maria Maisano	Short-term exposure to polystyrene microplastics (PS-MPs) in marine mussels: does it induce pro-oxidant and neurotoxic effects?	Domain 4

September 28th 2022

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

00:10 00:05 quest	3934	Ioannis Adamopoulos and Niki Syrou	Occupational Hazards Associated with quality and training needs in Public Health Inspectors in Greece	Domain 4
----------------------	------	------------------------------------	---	----------

PART 2 - Ecosystemic effects of environmental hazards

Domain topics

- Effects on animals and fauna [fish, bovines] (biomagnification, food chain)
- Microplastic accumulation in dunes
- Exposomic
- Epigenomics (epigenetici, rumore città non controllo sul rumore)

Keynotes and Guests 11.45 CEST (9.45 UTC)

Peter Van Hazel, *ISDE International*

Alberto Izzotti, *Full Professor School of Medicine, Università di Genova*

International One Health Conference in Catania, Italy 27-28, September 2022
A systemic approach to manage urban and natural resources

Presenters Session

From 12.15 to 14.00 CEST

Chairs:

Margherita Ferrante, *University of Catania*

Paolo Lauriola, *RIMSA*

Alfina Grasso, *University of Catania*
